ANNOUNCEMENT

As we had informed you earlier, Joseph Carlino was indicted by a Grand Jury on November 2, 2017. Jersey State Memorial Park (JSMP) has recently learned that Joseph Carlino has pled guilty of the charges and has agreed to pay \$148,000.00 as restitution to some of his victims. He is scheduled to be sentenced on or about December 14, 2018.

Please note that the restitution money will be distributed among some of Joseph Carlino's victims who paid him during a certain period covered by the Statute of Limitation. JSMP, despite being the recipient of two judgements against Joseph Carlino totaling \$1.151 million dollars, will not receive any of this money.

JSMP will keep posting additional information received in this regard on its website (www.jerseystatememorial.com) as and when available. Please call the above telephone number if you have any question.

Sincerely,

Waheed Khalid
President
